

Wet/Dry Vacuums

9-Gallon

**Wet and dry filter
with no conversion
necessary**

The Mi-T-M industrial vacuum is designed for performance, durability and filtration. The wet and dry filter means there is no need to change filters when the job calls for going from one to the other. This model features a self-cooling motor for motor-bearing longevity and the high impact poly construction canister is so rugged it carries a lifetime warranty.

MV-900-OMEV

Motor

- Two stage blower motor for longer life
- Self-cooling motor design

Components

- Exhaust air ducting reduces the possibility of motor contamination by dirt or moisture
- Electrical system is double-protected
- 25-foot electrical cord
- Electrical cord wrap
- Recessed wheels and clamps
- Wet **and** dry filter (no conversion necessary)

Construction

- High impact poly construction canister with lifetime warranty on canister
- Industrial-grade caster wheels with plates

Miscellaneous

- Quiet operation
- Stackable design for easy storage
- CSA certified

Accessories - each unit includes the following:

- 10-foot x 1¼-inch hose with inlet cuff
- 14¼-inch curved plastic wand
- 2-piece aluminum/plastic extension wand
- 12-inch combination floor tool
- 8½-inch crevice tool
- 12-inch commercial squeegee tool
- Cartridge filter
- 1 paper filter bag (replacement bags sold in packs of 5)

Warranties

*Most wet/dry vacuums have a decibel rating of 63.4 dB(a).

Accessories & Replacement Parts

Standard Accessories

1. Electric cord wrap
2. Electrical system is double-protected
3. Two-stage blower motor for longer life
4. Stackable design for easy storage
5. Wet and dry cartridge filter (no conversion necessary)
6. 25-foot electrical cord
7. Disposable paper filter bag (for dry use only)
8. 14¼-inch curved plastic wand
9. 10-foot x 1¼-inch suction hose with inlet cuff

10. 8½-inch crevice tool
11. Aluminum/plastic extension wand
12. 12-inch commercial squeegee tool
13. 12-inch combination floor tool
14. Industrial-grade recessed caster wheels with plates
15. High impact poly construction canister
16. Recessed clamps

Replacement Accessories & Parts

Suction Hoses & Fittings

Suction Hose with Inlet Cuff

15-0241

- 10-foot x 1¼-inch hose with inlet cuff

Suction Hose - Bulk

15-0242

- 1¼-inch hose without fittings
- Sold by the foot

Inlet Cuff

50-0178

- For bulk hose; to connect to vacuum

Filters

Cartridge Filter

19-0221

- Hydrophobic media for wet and dry use

Paper Filter Bag

19-0222

- 5 per pack
- Disposable; for dry use only
- Recommended for fine dusts

Wands

Aluminum/Plastic Extension Wand

16-0402

- 2-piece
- Plastic wand with aluminum inserts

Curved Plastic Wand

16-0403

- 14¼-inch
- Connects hand tools to hose

Tools

Commercial Squeegee Tool

33-0410

- 12-inch high impact plastic
- Connects directly to extension wand

Combination Floor Tool

33-0411

- 12-inch high impact plastic
- Connects directly to extension wand

Crevice Tool

33-0412

- 8½-inch high impact plastic
- Connects directly to curved plastic wand

Dusting Brush

33-0422

- 2½-inch nylon brush
- Connects directly to curved plastic wand

13 & 18-Gallon

Easily the quietest in the industry, this high-performance industrial vacuum gives you the power to get the job done fast and efficient. Popular in the quick-lube industry, the Mi-T-M industrial vacuum is engineered for continuous duty. No filter conversion is necessary allowing you to go directly from wet to dry clean-up. Designed for professional use, the poly construction canister carries a lifetime warranty.

**Wet and dry filter
with no conversion
necessary**

MV-1300-OMEV

MV-1800-OMEV

Easily the quietest in the industry, the Mi-T-M industrial vacuum has a decibel rating as low as 51.2. Compare that to other vacuums that are rated at 59 decibels or higher.

Motor

- Two stage blower motor for longer life
- Self-cooling motor design

Components

- Exhaust air ducting reduces the possibility of motor contamination by dirt or moisture
- Electrical system is double-protected
- 25-foot electrical cord
- Electrical cord wrap
- Recessed wheels and clamps
- Filter efficiency 99.5% to 1.0-micron (optional HEPA filter 99.97% to 0.3-micron)
- Drain outlet
- Wet **and** dry filter (no conversion necessary)

Construction

- High impact poly construction canister with lifetime canister warranty
- Industrial-grade polyolefin wheels with stainless-steel shafts

Miscellaneous

- Quiet operation
- Stackable design for easy storage
- Eliminates airborne particles through exhaust
- CSA certified

Accessories - each unit includes the following:

- 10-foot x 1½-inch crushproof hose
- 2-piece aluminum extension wand
- 14-inch commercial squeegee tool
- 12-inch combination floor tool
- 10¼-inch crevice tool
- 5-inch upholstery tool
- Cartridge filter
- 1 paper filter bag (replacement bags sold in packs of 10)

Exclusive "Hydro" Flow Filter

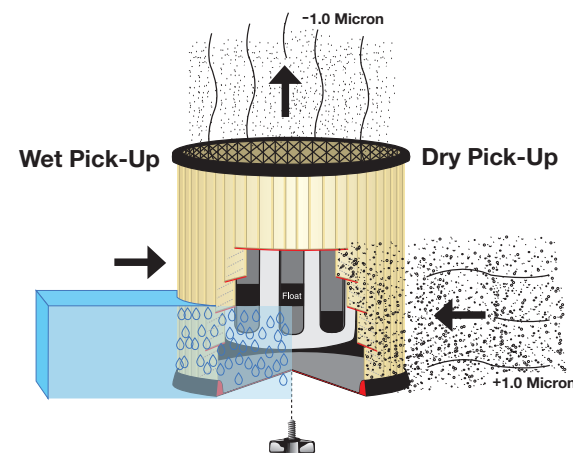

19-0230

Designed for continuous water pick-up

- Will not clog or deteriorate
- Retains maximum air flow
- Completely washable
- Water resistant

99.5% efficient to 1.0-micron

- 1.0-micron rating prevents drywall dust from damaging motor
- Eliminates airborne particles through exhaust

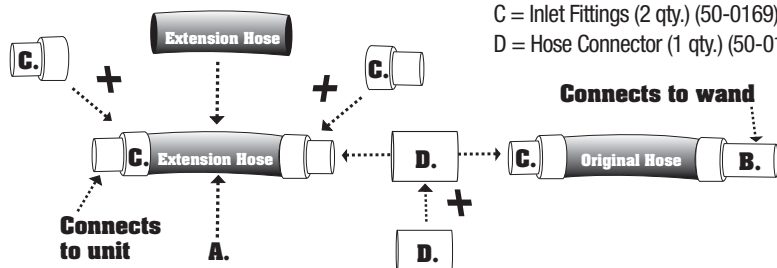

Optional Parts & Accessories

Hose Adapter Kit

852-0156

For when you need extra hose length.

How to attach the hose connection kit:

A = Suction Hose (15-0223) sold per foot

B = Tapered Cuff End (50-0167)

C = Inlet Fittings (2 qty.) (50-0169)

D = Hose Connector (1 qty.) (50-0168)

HEPA Filter

High Efficiency Particulate Air

19-0234

Recommended for fine dust and clean room applications

- Will not clog or deteriorate
- Retains maximum air flow
- Completely washable
- Water resistant

99.97% efficient to 0.3-micron

- 0.3-micron rating captures solid particulates, not allowing them back into the air

25-Foot Hose Options

VX-0001 Vacuum Accessories with Paper Filter Bags

This option includes: 25-foot of 1 1/2-inch crushproof vacuum hose, 10 disposable paper filter bags (19-0610), crevice tool (33-0326), and suction hand tool (33-0371)

VX-0002 Vacuum Accessories with Cloth Filter Bag

This option includes: 25-foot of 1 1/2-inch crushproof vacuum hose, cloth filter bag (19-0611), crevice tool (33-0326), and suction hand tool (33-0371)

VX-0003 Vacuum Accessories with Vacuum Bag Liner

This option includes: 25-foot of 1 1/2-inch crushproof vacuum hose, vacuum bag liner (19-0235), crevice tool (33-0326), and suction hand tool (33-0371)

Note: These options will remove the 2-piece aluminum extension wand (16-0391), combination floor tool (33-0360), commercial squeegee floor tool (33-0359), and the upholstery tool (33-0327) that come standard with the vacuum.

MV-1300-OMEV & MV-1800-OMEV are shown with VX-0001 option

Wall Mount Bracket

AW-9500-0000

Our wall mount bracket kit allows for a permanent work cleaning station. Save space by mounting vacuum to the wall.

Accessories & Replacement Parts

Suction Hoses & Fittings

Suction Hose

15-0207

- 10-foot x 1½-inch crushproof hose with fittings

Suction Hose - Bulk

15-0223

- 1½-inch crushproof hose without fittings
- Sold by the foot

Tapered Cuff End

50-0167

- Hose fitting - connects hose to wand or to hose connector

Hose Connector

50-0168

- Hose fitting - connects tapered cuff to hose extension

Inlet Cuff Fitting

50-0169

- Hose fitting - connects hose to vacuum

Hose Adapter Kit

852-0156

- Includes two inlet cuff fittings and one hose connector

Aluminum Extension Wand

16-0391

- 2-piece; friction fit
- Chrome-plated

Tools

Crevice Tool

33-0326

- 10¼-inch high impact plastic
- Connects directly to hose

Upholstery Tool

33-0327

- 5-inch width; serrated edge
- High impact plastic
- Connects directly to hose

Dusting Tool

33-0328

- 2¾-inch nylon brush
- High impact plastic
- Connects directly to hose

Commercial Squeegee Tool

33-0359

- 14-inch with replaceable rubber blades
- High impact plastic
- Connects directly to extension wand

Replaceable Rubber Blades (not shown)

33-0397 (Front blade)

33-0398 (Back blade)

- Fits commercial squeegee floor tool (33-0359)

Combination Floor Tool

33-0360

- 12-inch with adjustable brush height
- High impact plastic
- Connects directly to extension wand

Commercial Nylon Brush Floor Tool

33-0361

- 14-inch with nylon brush insert
- High impact plastic
- Connects directly to extension wand

Power Floor Tool

33-0362

- 10¼-inch, air powered, belt drive
- High impact plastic
- Connects directly to extension wand

Suction Hand Tool

33-0371

- 4-inch high impact plastic
- Connects directly to hose

Filters

Cartridge Filter

19-0230

- Hydrophobic media for wet and dry use
- Completely washable
- Filters to 1.0-micron

High Efficiency Particulate Air (HEPA) Filter

19-0234

- 99.97% efficient to 0.3-micron
- Recommended for fine dust and clean room applications

Filter Bags

Paper Filter Bag

19-0610

- 10 per pack
- Disposable; for dry use only
- Recommended for fine dusts

Cloth Filter Bag

19-0611

- Reusable; for dry use only
- Machine washable

Vacuum Bag Liner

19-0235

- Fits inside canister to keep filter cartridge clean (dry use only - do not use with paper filter bag)

Accessory Bag & Hose Hanger

AW-9500-0001

- Fits both 13 & 18-gallon vacuums
- Vacuum hose hanger attaches to top handle
- Accessory bag holds two-piece wand assembly and standard floor and hand tools
- Made from 600-denier vinyl-backed polyester
- Easy to clean with soap and water
